Taylor Swift: Welcome to New York

Walking through a crowd, the village is aglow
5 Kaleidoscope of loud heartbeats under coats
Everybody here wanted something more
Searching for a sound we hadn't heard
before
And it said
10

Welcome to New York
It's been waiting for you
Welcome to New York
Welcome to New York
15 Welcome to New York
It's been waiting for you
Welcome to New York
Welcome to New York

20 It's a new soundtrack
I could dance to this beat, beat
Forevermore
The lights are so bright
But they never blind me, me
25 Welcome to New York
It's been waiting for you
Welcome to New York
Welcome to New York

30 When we first dropped our bags on
apartment floors
Took our broken hearts, put them in a
drawer
Everybody here was someone else before
35 And you can want who you want
Boys and boys and girls and girls

Welcome to New York
It's been waiting for you
40 Welcome to New York
Welcome to New York
Welcome to New York
It's been waiting for you
Welcome to New York
45 Welcome to New York

55 It's a new soundtrack
I could dance to this beat, beat
Forevermore
The lights are so bright
But they never blind me, me
60 Welcome to New York
It's been waiting for you
Welcome to New York
Welcome to New York

65 Like any great love, it keeps you guessing
Like any real love, it's ever-changing
Like any true love, it drives you crazy
But you know you wouldn't change anything,
anything, anything
70

Welcome to New York
It's been waiting for you
Welcome to New York
Welcome to New York
75 Welcome to New York
It's been waiting for you
Welcome to New York
Welcome to New York

80 It's a new soundtrack
I could dance to this beat
The lights are so bright
But they never blind me
Welcome to New York
85

New soundtrack
It's been waiting for you
Welcome to New York
The lights are so bright
90 But they never blind me
Welcome to New York
So bright, they never blind me
Welcome to New York
Welcome to New York
