3. **Lies** den folgenden Einkaufsdialog. Ray Cherche und seine Tochter Denise gehen „shoppen“ 😊.

Ray and his daughter Denise are going shopping. Denise needs a new scarf and a new skirt too.

5 Ray: What do you think about this scarf? It looks beautiful.

Denise: I don't know, dad. I don't like the colour. How much is it?

10 Ray: It's 8 euros. That's a fair price. It is not too expensive; actually, it's quite cheap.

15 Denise: That's true. What about this one? I like the colour better and the price is the same. I also like this skirt. What do you think?

20 Ray: I like the skirt too. It looks wonderful! Let's go to the cash desk to pay.

Ray and Denise pay and go to a café.

25 Denise: Dad, I'd like a piece of apple pie. What do you want to have?

Ray: I think I take a fruit salad. I love fruits. I think the apple pie is a bit too heavy for me.

30 Denise: You always eat so healthy, dad. Why do you do that?

Ray: I just like the taste of fresh fruits and vegetables. They are so crunchy.

35 Denise: I don't know, dad. I just love sweets and candy so much. I know it is not healthy, but it tastes so good.

40 The waiter comes to take the order.

Waiter: What would you like to have?

45 Ray: I'd like to have a fruit salad and a piece of your apple pie for my daughter, please.
