## James Brown Living in America

Knock it out - yeah!  
Superhighways, coast to coast, easy  
takin' anywhere  
On the transcontinental overload, just  
slide behind the wheel  
How does it feel when there's no  
destination that's too far?  
And somewhere on the way you might  
find out who you are

Living in America  
Eye to eye, station to station  
Living in America  
Hand in hand, across the nation  
Living in America  
I got to have a celebration, rock my  
soul

All night diners keep you awake on a  
black coffee and a hard roll  
You might have to walk a fine line, said  
you might take a hard line  
But everybody's workin' overtime

Living in America  
Eye to eye, station to station  
Living in America  
Hand in hand, across the nation  
Living in America  
I got to have a celebration  
I live in America  
Said, I live in America

Wait a minute  
You may not be lookin' for the  
promised land  
But you might find it anyway  
Under one of those old familiar names  
like  
New Orleans, Detroit City, Dallas  
Pittsburgh P.A, New York City  
Kansas City, Atlanta, Chicago and L. A.

Living in America  
Hit me  
Living in America  
Living in America

I live in America  
Not yet  
I live in America  
Living in America  
Staying alive, we'll make the prime  
I live in America  
Hey, I know what you mean  
Living in America  
Hit me, I said now, eye to eye, station  
to station  
Living in America  
So nice, would you better stop?  
Living in America  
I feel good
