In the 16<sup>th</sup> century many people moved from Europe to America. They were called \_\_\_\_\_ or \_\_\_\_\_. The \_\_\_\_\_ were the people who had lived there before. Europeans started to \_\_\_\_\_ them because they wanted to have their land. They also brought \_\_\_\_\_ from Africa to America to do the hard work. In the beginning, Europeans were still controlled by the kings and queens from Europe. But they did not like it so they fought for their freedom. This war is called the \_\_\_\_\_ of \_\_\_\_\_. After America was free from Europe they put a big symbol of freedom. It is called the \_\_\_\_\_ of \_\_\_\_\_ and you can find it in New York City.
